### Bar Hill Motoring Association

\*\*\* As announced last month, the Residents Association is sponsoring the inaugural meeting of a Motoring Association. This will be held in the School at 8 p.m. on Thursday, 2nd September. Preliminary enquiries indicate that membership of the Association could well be both useful and profitable. Please come if you can, but if not it would be very helpful if you could make your support known to someone who is coming, so that some idea of likely membership numbers can be obtained.

### Young People in Bar Hill

The Parish Council invite all young people of secondary school age in Bar Hill to meet them at the School at 8 p.m. on Tuesday, 7th September. The intention is to discuss the future development of the Village with particular regard to the youth facilities and the Council members are very anxious to get the views of young people on the way things are going. Please do your best to get along.

### Sponsored Walk

The Cub Scouts and Scouts who took part in the recent Pennine Way walk would like to thank all the people in Bar Hill who generously sponsored them. Individual boys walked distances varying between 16 and 45 miles, the total distance walked by seven groups of boys was  $26\frac{1}{2}$  miles. D.A.W.

### Playgroup

The Developers have kindly agreed to loan the Playgroup the ex sales office, and have promised it will be ready for the start of the new term.

PLEASE COULD WE HAVE SOME HELP to put the inside to rights -

Can you help paint, hammer, etc., during the week 6th - 12th September? Have you any experience in plumbing or wiring? Have you any small quantities of white paint, gloss or emulsion, timber or brackets for shelves?

Because of our new accommodation we will be functioning for an extra morning and Friday will be especially for the older children. This will give us extra places in the week for new younger ones.

Carole Pock, 32 Acorn Avenue (Crafts Hill 220)

### Jumble Sale

A Jumble Sale is being arranged for Saturday, 9th October at Milton Road School, to raise money for the Shared Church Centre. We will need as much jumble as we can possibly get, so please don't throw away your unwanted articles. Arrangements for collection will be made later, but if you have storage problems please contact Pat Muir, 2 Otter Close (Crafts Hill 394)

School Bookings 1971

As the Village grows, demands upon the School premises are increasing, and this is particularly obvious during the winter months. Costs of hiring have gone up, and anyone wishing to use our facilities must make a written application to The Secretary, Bar Hill School, giving details of requirements, at least two weeks in advance. Verbal bookings are not acceptable. If rooms are required during the normal school holiday period, the letter requesting hire should be sent before the end of the school term.  
W.H.S. Norton, Headmaster

Bar Hill Horticultural Society

Thursday, 23rd September: informal flower show at 8 p.m. in the School. 3 classes: (1) three roses; (2) three of any one sort of flower (3) one bowl of 5 mixed flowers. Entry charge: 3p per entry; prizes: supplies from the garden shop. Most people will never have entered a flower competition before, so please do not be afraid to enter. Shop: garden supplies (including bulbs, we hope, as from next week) at reduced rates, Sundays 11.45 - 12.45 in garage in front of 26 Otter Close. Membership: join at the Shop, or at any meeting; once-only membership fee 25p; plus half annual subscription (usually 25 p) for the rest of this year, total, 37.5p. Gardening hints for September. One of the more attractive months in the garden - keep it tidy by cutting off seed heads to prolong flowering. Plant bulbs - such as crocus, Daffodils, narcissi, snowdrops, etc., - in the garden, and in pots for indoor flowering. Lawns: continue mowing, and start applying autumn/winter dressing at end of month. Grass seed MUST be in by the end of the month at the very latest. This is the best time of year for taking rose cuttings; use ripe wood 8 - 10" long and place in the garden with sand around the base. (We apologise for condensing the Horticultural Society's notes because of shortage of space)
